**Subject:** RE: Thanks for the Meeting Last Friday

Bill,

Appreciate the note and the discussion last Friday. I have passed the draft permit along to our program folks for review and subsequent discussion. Assuming the tropics will calm down, we should plan and reconvening for further discussion in mid-October.

Feel free to call me if you have any questions before then.

Steven Cook  
Deputy Assistant Administrator  
Office of Land and Emergency Management  
U.S. Environmental Protection Agency  
202.566.0609

Subject: Thanks for the Meeting Last Friday

Steven,

I wanted to thank you for taking the time to meet with the State of Kansas last Friday to discuss our CCR permit program application. Knowing your busy schedule and EPA's responsibilities related to hurricane response activities, we are especially appreciative of that opportunity to discuss our application and answer your questions. I would like to affirm our commitment to administer a technically and legally sound CCR permitting program. We believe the approach outlined in our application would do so. We would be happy to answer any other questions that you or technical staff at EPA have regarding our application.

Sincerely,

Bill Bider  
Director  
Bureau of Waste Management  
(785) 296-1612

Mark -

Thanks for passing along. I have set up a reminder of the 30-day promise to get back together.

Steven
